DETAILED ACTION

Response to Amendment

Applicant's amendment to claims 19 and 21 filed in the response on 10/2/08 is acknowledged. Currently, claims 19-37 are under consideration.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Ellen P. Winner on 12/8/08.

The application has been amended as follows:

Please cancel claim 1.

2. The following is an examiner's statement of reasons for allowance:

In light of applicant's amendment and remarks filed on 10/2/08, previous 103 rejections and the obviousness type of double patenting rejection of record are hereby withdrawn. Prior art of record, taken alone or in combination do not fairly suggest or disclose the presently claimed polymeric beads of

complexing resin containing magnetic particles, and a dispersing agent, wherein the polymer matrix having amine groups are complexed with transition metal cation. Accordingly, the instant invention as defined by claims 19-37 is allowable over prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Helen L. Pezzuto whose telephone number is (571) 272-1108. The examiner can normally be reached on 8 AM to 4 PM, Monday thru Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
